

Attention Parents!!!

Attention Parents!!!

## Does your school have a nurse? If you live in Michigan, chances are, the answer is NO!

### Did you know?

Asthma, allergies, diabetes, obesity and epilepsy among students is ↑ and the number of school nurses is way ↓.

### Did you know?

Michigan's ratio of school nurses to students is: 1 nurse for every 6,607 students.

Parents, **you know**, this is a formula for disaster!

### Parent Action for Healthy Kids invites you to join our *School Nurse Awareness Campaign* We Need You!

#### Our goal is to:

- Bring awareness to parents about the shortage of school nurses in Michigan
- Provide information about the role of a school nurse
- Share tips on working with schools to support student health needs
- Offer resources for parents on student health needs
- Share parent stories

**Please join the campaign today to share, learn, and help spread the word!**
